

Healthcare IT Environment Checklist

Is your technology where it needs to be? Take a moment to reflect on these 10 questions.

- 1. Is your current technology setup supporting patient care without constant troubleshooting?**
☐ Yes ☐ Sometimes ☐ Not Sure
- 2. Do staff have fast, reliable support when tech issues come up, without everything falling on you?**
☐ Yes ☐ Occasionally ☐ It Still Falls on Me
- 3. Is patient and staff data well-protected from cyber threats and HIPAA risks?**
☐ Yes ☐ Needs Review ☐ Unsure
- 4. Are your backups tested and ready to restore important data in an emergency?**
☐ Yes ☐ Haven't Tested Lately ☐ Not Currently Backed Up
- 5. Do you have one partner handling your IT, or is it still a patchwork of vendors?**
☐ Yes ☐ Somewhat Unified ☐ Still a Mix
- 6. Are you prepared to show documentation and system readiness during a compliance inspection?**
☐ Yes ☐ Mostly Prepared ☐ We'd Be Scrambling
- 7. Does your Wi-Fi and internet provide consistent coverage throughout your facility?**
☐ Yes ☐ Some Dead Zones ☐ Unreliable
- 8. Are your technology policies up to date and followed by staff?**
☐ Yes ☐ Needs Updating ☐ No Formal Policy
- 9. Are staff using secure devices and individual logins rather than shared or outdated setups?**
☐ Yes ☐ Mixed Use ☐ Not Secure
- 10. Do you have a clear IT plan for the year, or are you still putting out fires?**
☐ Yes ☐ Somewhat Planned ☐ No Plan in Place
